

**“When the doors of the Pleasant Valley School opened in 1885, Boerne was a small rural community and San Antonio was two days away by horse and buggy. Since then its students made our community live, breathe and thrive. Yesterday’s daily life is today’s nostalgia...”**

The **Pleasant Valley Community Center, Inc.** feels this statement in our hearts and we hope that you do also. The days of the one room school house will never be duplicated which makes this school a unique reflection of the history of the Hill Country and a national treasure. This school left an imprint on this community through the success and entrepreneurship of the students that learned within. From the top of its tin roof to the wooden benches and rough hewn school desks that once graced its interior, the Pleasant Valley School stands alone as an example of strength, fortitude and pride. **Please help the PVCC maintain its historical integrity for future generations by making a donation toward our mission.** It is with your assistance that we will be able to conserve and preserve the unique legacy left by all those who were a part of building the campus and learning under its roof.

**Yes, I would like to make a donation at this time.**

**I would like to donate an amount of :**
